

## Simple and Effective Ways to create a 'BIG Crib'

Small boxes e.g. photocopy paper boxes, stacked or used individually to create figures

Feed sacks or large rubbish bags stuffed with paper for bodies and stuffed tights for heads

Large boxes e.g. from refrigerators, cut to create figures from the corner edges

Large tubes e.g. from carpet shops

Simple T-shaped wooden frames e.g. upended broom set in a stand, and dressed with clothes, papier-mache heads and cardboard limbs

Stiff card rolled into cones and decorated
