

Becoming a school governor – an introduction

Tuesday 7 June 2022 18.45 – 20.00

Caroline Vinall - Senior Officer for Governance

Becoming a school Governor – an introduction

School governors are education's unsung volunteer heroes. Thousands of people across the UK support their local school by becoming a school governor.

If you are interested in becoming a school governor, particularly in one of our Church of England schools, but also if you wish to find out more, then please come along to this session to learn about:

- different types of schools
- roles and responsibilities of governors
- useful skills
- critical friendship
- time commitment

This session will be delivered via Zoom. A link will be sent a week before the event.

To book your place: https://elydatabase.org/events/mission_ministry
